Executive summary

Aspiring Full Stack Developer with experience in HTML, CSS, JavaScript, Python, and Django. Built projects including a quiz platform, text-to-PDF converter, and directory management system with CRUD operations.

Education

Bachelor of Computer Application (2023-2026)

Sri Muthukumaran Arts and Science College

Technical Skills

- **Frontend:** HTML, CSS, JavaScript, Bootstrap
- **Backend:** Python, Flask, Django
- **Databases:** MySQL
- **Tools & Platforms:** Git, GitHub, VS Code

Internship Experience

Full Stack Web Development Intern – Curious Wings Innovations (1 Month)

- Developed responsive UI components using HTML, CSS, and JavaScript
- Improved user interface design and ensured mobile responsiveness
- Gained experience in real-world project workflows and version control using Git

Projects

1. Quiz Website (Customizable Quiz)

- Developed a dynamic quiz application using HTML, CSS, and JavaScript.
- Implemented JSON-based questions with real-time scoring and responsive UI.

2. Text to PDF Converter (Flask)

- Built a Flask-based tool to convert user input into downloadable PDF files.
- Implemented file handling and custom PDF formatting.

3. Directory Management System (Django)

- Developed a Django application with CRUD operations and database integration.
- Designed responsive UI using Bootstrap with frontend-backend integration.
